### Level 2 Curriculum – Proposed Year 12 Pathway 2021-22

For students not achieving the entry criteria for a Level 3 pathway the following Level 2 course is available over one academic year. All students are required to take or work towards GCSE Grade 4 in English Language and Mathematics as part of their Level 2 Study Programme, if they have not achieved this already. A Level 1 or 2 qualification in Food Preparation and Hygiene will be offered to all students studying on this course as well as the opportunity of Work Experience with Chartwells Catering Company on the school site.
